

**CITY OF GRANTVILLE  
RESIDENTIAL HOUSEHOLD GARBAGE SERVICE REMINDER**

Correct placement of your container for garbage and recycling collection is important to ensure your services are handled promptly and safely. Follow this guide on container placement:

- Place your trash can and recycling bin at the curb with the wheels facing your house and the lid opening into the street.
- Keep your garbage cans four feet apart and at least four feet or more from any obstacles such as mailboxes, cars, lamp posts, or power lines.
- Keep your container at the curb until at least the end of the day if it has not been collected. Sometimes the timing of our arrival changes, especially with holidays. We don't want to miss you if we come later than expected.
- Put your cart at the curb the night before your collection day.

Follow these guidelines to avoid any problems with your collection. On occasion, issues with your service can arise, such as a missed collection, please contact us to report it. Our job is to provide you with the best waste collection service possible, so please do not hesitate to reach out!
