Grantville City Council Meeting

Council Member Ruby Hines
Re: Storm Water Problem on LaGrange St.

Agenda Item #3

I am opposed to the city correcting storm water problems on personal property on LaGrange Street because, it opens the gate for the city to repair storm water problems on all personal property to prevent favoritism and biasness. Moreover, wherever the storm water is flowing from on city property should be corrected, because it is city property.

I have been informed, that we have a storm water problem on Meriwether Street. Has anyone checked to see where the storm water on Meriwether Street is coming from? If so, what were your findings?

Furthermore, when I asked the question, why did we go outside of Georgia to get a storm water policy from a city that was much larger than Grantville? Instead, get a storm water policy from a city in our size range; it was stated, we could not find a policy that met our needs. I think it would have been good for the council to see what other cities our size are doing concerning storm water issues. This could have been done by placing other cities our size storm water policy in our package. This would have allowed council members to make a comparison with Georgia versus Carolina storm water policy in my opinion.

In my opinion, when one purchase property, they should make sure there is no storm water problems flowing from other areas onto his/her property. By doing so, they can correct the situation before purchasing, thereby, eliminating the citizens the added expense of correcting their personal storm water issues. I do not think giving an easement to the city, so one storm water issues can be resolved is the right way to handle city funds.

In my opinion, it should not matter if a person own one house or 3,500 houses in a city, they are the one who will benefit from the sale of those houses, not the city. So, with that being said, I am opposed to the city repairing storm water problems on personal property for all citizens

NOTICE OF PROPERTY TAX INCREASE

The City of Grantville has tentatively adopted a millage rate which will require an increase in property taxes by 4.14%. All concerned citizens are invited to the public hearings on this tax increase to be held at the Glanton Municipal Complex, on Thursday, July 29, 2021 at 9:00 a.m. and on Thursday, July 29, 2021 at 6:30 p.m.

Time and place of an additional public hearing on this tax increase is at the Glanton Municipal Complex on Monday, August 2, 2021 at 6:30 p.m.

This tentative increase will result in a millage rate of 5.228 mills, an increase of .208 mills above the roll-back rate (5.020 mills). A millage rate of 5.228 mills restores the City to its financial position in 2020, partially compensates for the increases cost of materials, supplies and labor while providing employee benefits that have been advocated by Council Members without impacting the General Fund. Without this tentative tax increase, the millage rate will be no more than 5.020 mills. The proposed tax increase for a home with a fair market value of \$150,000 (with a \$10,000 homestead exemption) is approximately \$.87 per month or \$10.40 annually. The proposed tax increase for nonhomestead property with a fair market value of \$150,000 is approximately \$1.04 per month or \$12.48 annually.

PUBLIC NOTICE

The City of Grantville hereby announces that the proposed millage rate will be set at a meeting to be held at the Glanton Municipal Complex located at 123 Lagrange Street, Grantville, Georgia on August 23, 2021 at 6:30 p.m. and pursuant to the requirements of O.C.G.A. §48-5-32 does hereby publish the following presentation of the current year's tax digest and levy along with the history of the tax digest and levy for the past five years.

Terms of Sale

This Quote will, if Customer issues a purchase order for the quoted items that is accepted by Supplier, constitute a contract between the entity issuing this Quote ("Supplier") and the entity to whom this Quote was issued ("Customer"). Unless otherwise stated herein, pricing is valid for thirty days from the date of this Quote. All product, pricing and other information is based on the latest information available and is subject to change. Supplier reserves the right to cancel this Quote and Customer purchase orders arising from pricing errors. Taxes and/or freight charges listed on this Quote are only estimates. The final amounts shall be stated on the relevant invoice. Additional freight charges will be applied if Customer requests expedited shipping. Please indicate any tax exemption status on your purchase order and send your tax exemption certificate to Tax_Department@dell.com or ARSalesTax@emc.com, as applicable.

Governing Terms: This Quote is subject to: (a) a separate written agreement between Customer or Customer's affiliate and Supplier or a Supplier's affiliate to the extent that it expressly applies to the products and/or services in this Quote or, to the extent there is no such agreement, to the applicable set of Dell's Terms of Sale (available at www.dell.com/terms or www.dell.com/oemterms), or for cloud/as-a-Service offerings, the applicable cloud terms of service (identified on the Offer Specific Terms referenced below); and (b) the terms referenced herein (collectively, the "Governing Terms"). Different Governing Terms may apply to different products and services on this Quote. The Governing Terms apply to the exclusion of all terms and conditions incorporated in or referred to in any documentation submitted by Customer to Supplier.

Supplier Software Licenses and Services Descriptions: Customer's use of any Supplier software is subject to the license terms accompanying the software, or in the absence of accompanying terms, the applicable terms posted on www.Dell.com/eula. Descriptions and terms for Supplier-branded standard services are stated at www.dell.com/servicecontracts/global or for certain infrastructure products at www.dell.com/en-us/customer-services/product-warranty-and-service-descriptions.htm.

Offer-Specific, Third Party and Program Specific Terms: Customer's use of third-party software is subject to the license terms that accompany the software. Certain Supplier-branded and third-party products and services listed on this Quote are subject to additional, specific terms stated on www.dell.com/offeringspecificterms ("Offer Specific Terms").

In case of Resale only: Should Customer procure any products or services for resale, whether on standalone basis or as part of a solution, Customer shall include the applicable software license terms, services terms, and/or offer-specific terms in a written agreement with the end-user and provide written evidence of doing so upon receipt of request from Supplier.

In case of Financing only: If Customer intends to enter into a financing arrangement ("Financing Agreement") for the products and/or services on this Quote with Dell Financial Services LLC or other funding source pre-approved by Supplier ("FS"), Customer may issue its purchase order to Supplier or to FS. If issued to FS, Supplier will fulfill and invoice FS upon confirmation that: (a) FS intends to enter into a Financing Agreement with Customer for this order; and (b) FS agrees to procure these items from Supplier. Notwithstanding the Financing Agreement, Customer's use (and Customer's resale of and the end-user's use) of these items in the order is subject to the applicable governing agreement between Customer and Supplier, except that title shall transfer from Supplier to FS instead of to Customer. If FS notifies Supplier after shipment that Customer is no longer pursuing a Financing Agreement for these items, or if Customer fails to enter into such Financing Agreement within 120 days after shipment by Supplier, Customer shall promptly pay the Supplier invoice amounts directly to Supplier.

Customer represents that this transaction does not involve: (a) use of U.S. Government funds; (b) use by or resale to the U.S. Government; or (c) maintenance and support of the product(s) listed in this document within classified spaces. Customer further represents that this transaction does not require Supplier's compliance with any statute, regulation or information technology standard applicable to a U.S. Government procurement.

For certain products shipped to end users in California, a State Environmental Fee will be applied to Customer's invoice. Supplier encourages customers to dispose of electronic equipment properly.

Electronically linked terms and descriptions are available in hard copy upon request.
