## Legal Description

All that tract or parcel of land situate, lying and being in the City of Grantville, Coweta County, Georgia, being known as Lot 48 of the subdivision of Grantville Mills Foundation as per plat by J. William Ozmore, dated January 22, 1964, a copy of which is recorded at Plat Book 7, Page 133, Coweta County, Georgia records, reference to which plat is hereby made for a more accurate description of the property herein conveyed. Said property being bounded on the North by Lot 49 of said subdivision; on the East by an alley; and on the West by Middle Street (aka Grady Smith Street).

Cornerstone Rentals LLC respectfully requests the rezoning of the property located at 45 Grady Smith Street from R-20 (single-family residential) to R-6 to allow for its conversion into a two-unit residence. The existing structure—a two-bedroom home—suffers from significant functional obsolescence under its current floor plan. The proposed renovation would reconfigure the home into two separate one-bedroom units, each occupying a full floor with independent entrances. The lower unit would be accessed from the rear of the property, while the upper unit would retain use of the existing front entry. Importantly, the front elevation of the home would remain structurally unchanged. On-site parking would be improved to accommodate both units.

Cornerstone Rentals LLC recognizes the importance of thoughtful, responsible planning and zoning decisions in both the Grantville Mill area and the broader city of Grantville. We have made substantial investments in the revitalization of Grantville Mill and remain committed to contributing positively to the city's growth. We hope that our demonstrated track record as stewards of local real estate provides confidence to the Planning Commission and City Council that this project reflects our ongoing model of tasteful, appropriate improvements and community-minded development.
